

# ENGIE Electrabel fuels its future with SuccessFactors Solutions.

ENGIE Electrabel is an energy player operating in Belgium. Whilst the Group still intends to maintain its position as a key player in Europe and a leader on the energy transition, it is now also, a benchmark energy provider in the emerging world.

**Background Information:** ENGIE Electrabel were looking to enable a system of record for all compensation data. They wanted to utilize the latest technology in enhancing their core HR and Talent capabilities already supported by SuccessFactors. ENGIE Electrabel also required a solution that would assist them in integrating their local HR systems to their payroll system. They chose to partner with Gavdi due to their local knowledge and expertise in SuccessFactors.
