

# Gavdi Group Environmental Policy

Gavdi Group are committed to proactively caring for the environment and conducting our activities in an environmentally responsible way. We aim to ensure that our current needs are met without compromising the ability of future generations to meet their own needs. This principle of sustainable development demands that we accept responsibility for the direct impact of our own operations on the environment and specifically in the countries in which we operate in.

## At a minimum, the environmental policy will:

- Meet or exceed all relevant environmental obligations under laws and regulations in each of the jurisdictions in which we operate.
- Prevent pollution, reduce waste, and minimize the consumption of resources
- Educate, train, and motivate employees to carry out tasks in an environmentally responsible manner
- Encourage environmental protection among suppliers and subcontractors

Gavdi Group is committed to continual improvement regarding its environmental performance. This Policy will be communicated to all staff, contractors, and suppliers, and be available for the public.
