Mayar Foods was established in 1946 and is one of the fastest growing companies within the Al Muhaidib Group. Mayar Foods is now recognized as one of the largest and most successful distributors and retailers in the Kingdom of Saudi Arabia. Their large portfolio of brands has contributed to their continued growth in the Kingdom's fast moving consumer goods (FMCG) market.

Background: Mayar Foods were looking to build on top of their SAP HCM system. They were looking for a modern cloud-based talent management solution to address their current needs. They selected the award winning SuccessFactors Performance & Goals solution. After evaluating several SAP partners, Mayar Foods chose us due to our local expertise, flexibility and our expertise in SAP SuccessFactors,.

Delivery

- Performance & Goals
- SAP HCI integration
